A message from Miss Whittingham:

You will most likely have noticed that the MUGA has not yet been completed. Unfortunately, because of the heavy rain, we have been made aware of an issue with the drainage and the need for something to be done in order to ensure the longevity of the all-weather finish. The drainage will be put in next week and as soon as the area has dried out sufficiently, the final installations can take place and we will be up and running! Please keep everything crossed for a dry spell!

If you have not already made your Parents' Meeting appointments, please do. You can log on and make your appointments by clicking on the link below and following the instructions.

Just a couple of reminders:

- please do encourage your child to read at home. Just 15 - 20 minutes 3-5 times a week makes such a difference to their word recognition, fluency, understanding and confidence
- if looks like rain, please ensure your child has a coat in school as we do still go outside to play if it isn't raining too heavily
- please check your children's hair regularly (at least weekly) for head lice and treat if necessary. [Click here](#) for advice on the best ways to treat any infestation

Thank you for your continuing support,
Elizabeth Whittingham (Headteacher)

Byley Primary School

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing. Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit thousands of websites through the easyfundraising site and the retailers will make a small donation to the PTA.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the PTA make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
