

BYLEY PRIMARY SCHOOL & NURSERY

NEWSLETTER

Friday 21st May 2021

A message from Miss Whittingham:

The MUGA is completed and, despite the howling wind and rain, we had a mini opening ceremony in assembly this morning. Following the assembly, the children were able to have a quick run on it. We are all very excited to put it to full use next week.

There are a few photos at the bottom of the newsletter of each class playing on it.

Parents' Meetings seemed to go well. We are aware of a couple of issues with booking and accessing meetings. Please do let us know what you thought; we are planning to use this system in the future.

Chicken Pox

There are quite a number of cases of chicken pox in school at the moment. A raised temperature and spots are normal symptoms for chicken pox. However, if your child has a raised temperature, cough or loses their sense of taste and smell, this could be COVID-19. If you are at all unsure, please book a PCR test and keep your child and any siblings at home until you receive a negative result. The LFD home test kits only pick up 1 in 3 positive cases whereas PCR tests are almost 100% accurate.

Please be reassured that we closely follow up-to-date guidance from both Public Health and the DfE to ensure we are in line with correct procedures and advice.

Thank you for your continuing support,
Elizabeth Whittingham (Headteacher)

Byley Primary School

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing. Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit thousands of websites through the easyfundraising site and the retailers will make a small donation to the PTA.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the PTA make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
