## A message from our Head teacher

I hope you all enjoyed the Easter break and the children are all raring to go for our Summer Term. We had a really exciting start with our visit to Chester Zoo for all children from Reception to Year 4

Back in class, the children have engaged in a number of activities this week:

Years 5 and 6 have completed shape work and studied Ordnance Survey maps using grid references.

Years 1-4 have been busy writing up their visit to the zoo.

Reception and Nursery were so inspired by their zoo visit that we now have a jungle in their classroom; another addition to their fantastic learning environment!

You may well have received confirmation of your appointment time for the consultation evenings next week. I would remind you that each appointment is for 10 minutes and if you require additional time to discuss a particular matter, you should make a further appointment with your child's teacher.

I hope this new format makes information easy to find.
