A message from our Head teacher

It was good to see all of you this week at our Parent Consultations 99% were able to attend! We value your support and know it has a positive impact on the achievements of our young people.

This week, Years 3 to 6 attended their first swimming lesson of the year and the focus will now be on improving from their initial assessments. We clearly have some confident swimmers already and others whose skills and confidence are sure to improve.

I was delighted with some of the independent writing I saw this week in Years 5 and 6. Children are getting to grips with short division in Years 3 and 4, and Years 1 and 2 have completed their Fact Files on animals they saw at the zoo. Nursery and Reception children have made prints of their favourite jungle creatures; very impressive.

Our Assembly theme until the end of May is 'Courage'.

Can I remind families that we promote healthy eating at school and break-time snacks should be fruit or vegetables. Also as the warmer weather approaches, all items of uniform should be named to avoid them becoming 'lost property'.

I hope you enjoy the long bank-holiday weekend and that the weather is kind to us!
