A message from our Head teacher

Around school this week, children have worked together on a variety of tasks.

Reception and Nursery have been busy all round, using data handling when naming their lion (Rory – or Roar-y!) and doing observational drawings of a lily before planting it in their quarry.

Years 1 and 2 have completed independent 'fact-file' writing and many were keen to share their successes with me.

Years 3 and 4, have explored the characters in their class book – A boy and a bear in a boat.

Years 5 and 6 have worked on fractions in maths and the apostrophe for possession and contraction; it's been great!

As I write, the sun is shining and I am prompted to encourage you to make sure all children have their PE kits in throughout the week so that we can make the most of every opportunity to get outside.

Children arrived at school on Thursday morning looking their best for their class photos. They will shortly bring home proofs for you to choose.

The PTA met on Thursday after school. Please watch their slot for forthcoming information/announcements.

Next week, our Year 6's take their end of key stage 2 statutory assessment tests. It is essential that they arrive in good time each day as there is a strict timetable to adhere to. They have been working hard to practise and revise their knowledge and we wish them well; an early night before the test and a good breakfast should also help them.
