Head teacher's message:

I have once again been very impressed by the speed at which our newest pupils show their independence. This is evident from their arriving at the school gates each morning and continues throughout their day. Well done them – and you for promoting such independence in them.

We held our weekly Celebration Assembly today and were delighted to recognise the attitude and efforts of other children throughout our school. Congratulations!

Thanks to the efforts of our Years 3-6, the woodland area had a good tidy up earlier in the week; which is just as well as I can now share news on the 'next step'.

I am pleased to announce that we will be holding our official opening of the woodland on **THURSDAY 28TH SEPTEMBER!** This will coincide with our annual fund-raising event for Macmillan Cancer Support. I hope you will all be able to attend, along with our governors and invited guests who include a representative of Tesco who sponsored the project and the deputy/mayor of Middlewich. The event is due to commence at **2pm** and I trust (as ever) that there will be donations of delicious cakes to enjoy along with a cuppa.

We have, this week appointed a new member to the staff at Byley and I am sure you will welcome Mrs Such who is set to take up providing Byley Busy Buddies – breakfast and after school club. We will continue to do our best and accommodate families who need to use the club at short notice but I would urge you to book in advance whenever possible as the club continues to grow, and last-minute places are not always available.

There were a number of uniform items remaining unclaimed at the end of last term; sweatshirts, cardigans and fleeces. These have now been laundered and are available to purchase at £2 should you need spares.
