Friday 3<sup>rd</sup> November 2017

## Head teacher's message:

The nights may be drawing in and making the end of days darker but at school there is much to celebrate and put smiles on our faces.

This week children in Years 5 and 6 have been busy crafting letters of thanks to the staff at Standon Bowers. They had another fantastic visit there and are full of stories of individual achievements and laughs. Our school staff and those at the centre were impressed with their attitudes and you should know that they did us proud. They would happily join us when Years 3 and 4 go later this month but sadly for them that is not possible.

Years 3 and 4 have definitely been using times tables facts as they solved multiplication and division problems

Years 1 and 2 have revised the continents and oceans of the world and learned about plurals.

EYFS have practised number formation along with lots of counting and bingo games.

In all classes, children are beginning to see the value of being confident in their times tables and as Confidence is the theme we are looking at in our assemblies this month, many are considering targets they can try to achieve and be confident at by Christmas.

Byley Busy Buddies are set to introduce a Book Club. Each Monday, Wednesday and Friday we are going to have a real focus on reading in our quiet corner. The children can bring in and read their current reading book or something from home they want to read/share. We welcome any donations of comics and children's magazines.

If you are planning to attend Firework events, or hold your own this weekend, I hope you have an enjoyable time and stay safe.
