

BYLEY PRIMARY SCHOOL NEWSLETTER

Friday 17th November 2017

Head teacher's message:

Despite the usual run of coughs and colds at this time of year I am delighted with the attendance of so many pupils. Thank you for encouraging them to attend and reinforcing the importance of it.

This week our Year 6s attended the Sports Festival at Middlewich High School, accompanied by Mrs O'Sullivan. They were once again on their best behaviour and thoroughly enjoyed taking part in a variety of sports hall activities.

Years 3 and 4, having completed comprehensive instructions for washing Woolly Mammoths, have written instructions for gruesome potions.

Years 1 and 2 written pirate manuals, in the role of pirates, and in maths they have worked on finding the difference

And in Early Years, children have continued to practise and improving their cursive handwriting, found missing numbers, researched birthday celebrations around the world and even found time for some potato printing on the maths theme of 'shape'.

Years 3 and 4 will, I am sure, getting the last things together for our residential visit to Standon Bowers this weekend. We hope the weather is kind to us so that the children can make the most of the outdoor learning opportunity.

Our new student teachers have really settled in well, getting to know their classes and the adults around school.

MASQUERADE:

Due to be back at school in the January 2018!

Byley Busy Buddies

Next week, the children have decided they would like to focus on Music. We will be listening to all types of music during general activities. We are going to make some shakers to add percussion to some musical tracks. The children will also have a chance to try some DJ skills. We will also make a collage of musical instruments. Our reading corner got off to a great start this week! All the children are eager to share their reading skills. We would still welcome any donations of comics for our reading box. Thank you.
