## Head teacher's message:

We have reached the end of an exhausting but purposeful and successful Autumn Term. It has been rewarding to see children flourish in their learning – Thanks for your support with this, it really does make a difference.

**FIR** house looked resplendent on their non-uniform day for the house who were awarded most House Points this term. Well done **FIR**! There will be plenty of opportunities for other houses to win over the coming terms.

Children enjoyed their Christmas Dinner and class parties on Wednesday. Thanks to the PTA for providing crackers to pull, hats to wear and to Mrs Daniel for the most delicious food! This morning, classrooms were busy with children sharing favourite games with their friends. We may be thankful for all the good things that our technological advances provide, but it is rewarding to see so much pleasure being shared with board games!

We send them off today with a gift from the PTA – again with our thanks – and in good time to enjoy their Christmas with you. On behalf of all staff I would like to thank you for your cards and gifts and wish you all a very Happy Christmas.

We are delighted to announce that Mrs Such will join our Early Years each morning from January.

We are delighted that our After-School provision has become so successful – thanks to Mrs Such for doing such a good job! Because of its success, I really do need to ask that payments are made in good time. As from January, payment for school clubs **MUST** be made within the month of attending, any same-day booking **MUST** be paid on that day when dropping off/collecting children. We would still hope that the majority of bookings are made in advance as we are restricted to numbers we can take.
