Head teacher's message:

I would like to say thank you to those parents who continue to make use of the Village Hall carpark – and help earn their children 2 House Points, as well as keeping parking and traffic levels safer outside school.

Children in Years 3 and 4 welcomed parents to their Class Assembly this week and shared their pride and enjoyment in the work they have been doing so far this year, including their memories of Standon Bowers. Thank you for your support.

Around school:

EYFS have made transient pebble art and learned about handling pebbles safely.

Year 1/2 have been grappling with division and considering descriptive words to use in their writing about Anansi stories.

Years 3/4 have also focused on division and developed ideas for leaflets.

Years 5/6 have completed work on fractions and written poetry about a stormy sea.

We await slightly better weather, so that we can get out into our Woodland area and plant some bulbs generously donated by Cledford Primary, a small proportion of many they had received from a representative of the Rotary club.

Next week, we welcome Jeremy Coles back to school to lead an assembly. **The School Nursing team will also be here for our current Year 1 pupils.**
