

The Awful Picnic

A 'Let's Read Together!' Book

It was a hot day in August. Mum, Dad, Kit, Sam and Ben went on a jaunt to the park. Dad had to haul the picnic basket and **also** carry the rug.

Mum and Dad had made a lot of food for the picnic. They began to unpack the food. Kit and Sam went to sprawl on the lawn.

Sam said it was as hot as a sauna. Mum gave her a drink to cool her down. Oops! Mum had forgotten to bring a straw.

Dad had made bacon sandwiches. The buns were faulty and the bacon was still raw! Dad had to launch the buns into the bin.

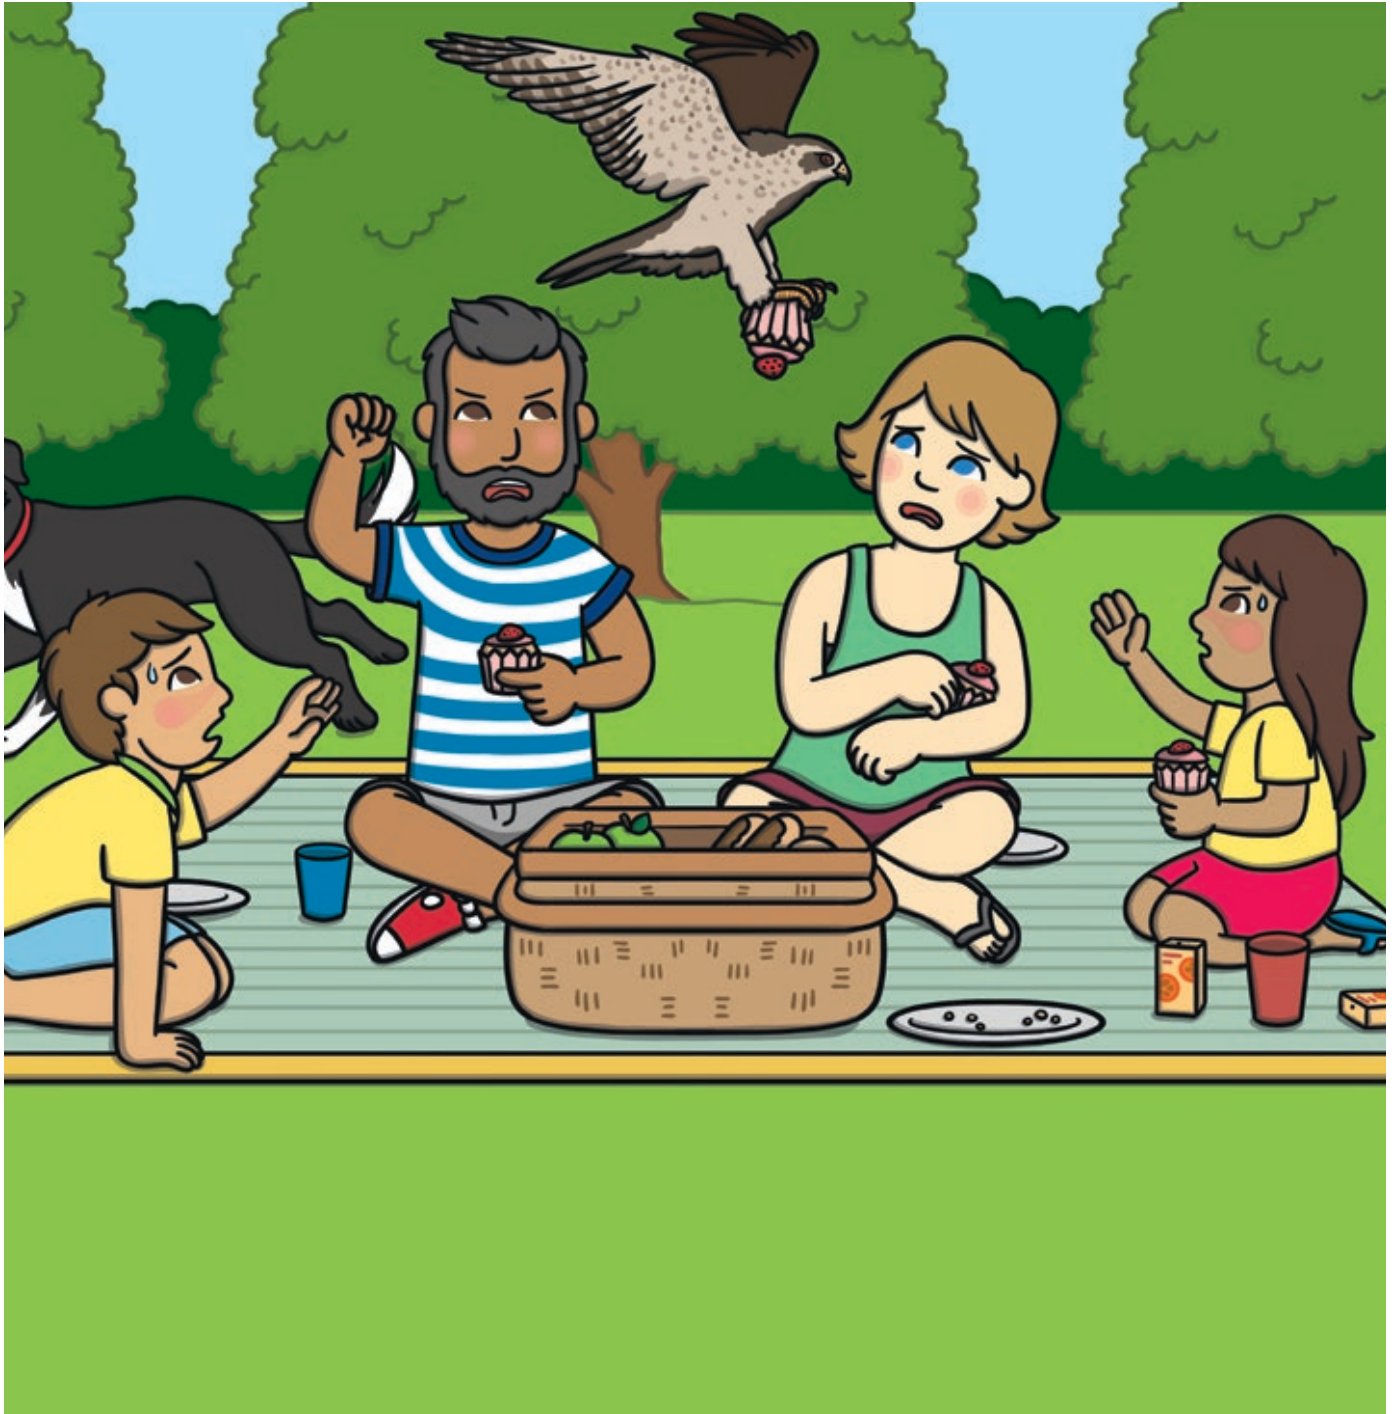

Mum gave out the cupcakes. There was a loud squawk. A hawk flew past and took Kit's cake in its sharp claws!

Ben saw a bee and tried to be its **friend**. The bee stung Ben on his paw.

“Well, what an awful picnic this has been!” said Mum.
