

BYLEY PRIMARY SCHOOL NEWSLETTER

Friday 9th February 2018

Head teacher's message:

Just one week to go before half-term. Time really is flying this year! We will announce this half-term's winning 'House' in assembly next Thursday so that children in the winning House can come in non-uniform on the last day (next Friday).

We launched a Sports for Champions event in school today and are hopeful that we will all be winners. The event will naturally raise the profile of sports and fitness with the children at school and we should also be able to raise much needed funding to support future Olympians. Please see the letter and sponsorship form your child will have brought home today. It will need to be returned to school, with any monies raised on **Tuesday 6th March**.

In other areas of school this week:

Years 5 and 6 have written persuasive leaflets about Cornwall, learned about Charles Darwin's theory of evolution and continued to work on algebra in maths.

Years 3 and 4 have been looking at newspaper reports and having a go at writing their own. And in maths they have measured using millimetres, centimetres and metres.

Years 1 and 2 have produced some delightful poetry based on the 'Sound Collector'. In maths they have all been looking at fractions especially quarters.

Our Early Years 'Frozen' topic has continued with children working on ice pictures, using natural materials. They explored the melting process.

A quick reminder that, in line with demand, Breakfast club is available daily from 7:45 until 8:45, when children go into their classrooms.
