Head teacher's message:

We have ended the week on a high with a visit from Laura Samuel who put every child through their paces this afternoon practising a range of skills in the hall. Thanks to your sponsorship donations we were able to contribute to her training fees. The school also benefit from the scheme and so I say thank you from both Laura and the school. We look forward to seeing her compete at the next Olympics!

We have reviewed our Homework practice this week and aligned it so that homework will be sent out on the same days from each class. Activities and exercises are carefully selected so that children can practise the skills they have been learning in class each week, and it is crucial that they are encouraged to complete the work, to a good standard, and return it to school in time for marking. All pupils are still expected to read with an adult at home each day – and this is incentivised at school with House Points and other rewards.

Please support us in this as it has a clear impact on their progress, knowledge and understanding.

I have been asked by the Rose Fete team to pass on that this evening's scheduled meeting in the Village Hall has been cancelled due to the weather conditions. If you would like children to take part in this year's Fete, can you please let Mrs Such or Mrs Percival know. Thank you.
