## Head teacher's message:

Children in Years 5 and 6 arrived back from their visit to Safety Central yesterday well-informed of ways to keep themselves safe in a variety of situations which are relevant to their school, home and lifestyles. Our staff were well impressed with the organisation of the day and a little envious of the state of the art facilities. Once again their staff were highly complementary of the children's' attitudes and behaviour throughout the day.

Next week, Years 3 and 4 will attend Middlewich High School for what I am sure will be yet another enjoyable sports festival. We are grateful for all the hard work of staff at Middlewich, who work hard to make these events so successful.

Your child/children may by now have mentioned their 'My Happy Mind' work. We have taken a whole-school approach to actively promote children's mental health and well-being – and they are enjoying learning all about the brain and how it works. They may even be able to share some 'Happy Breathing' exercises with you!

I need to remind all parents that we try to avoid parking outside of the school building for safety reasons. Please make an effort to use the Village Hall car park and help your child earn 2 House Points for walking to school. Thank you.
