Head teacher's message:

Our Celebration Assembly today was preceded by a visit from Jeremy Coles who told the Easter Story with a novel twist. It was good to watch the children's faces as they responded to his story and to hear them sing along with him.

Earlier in the week, Years 3 and 4 attended the Sports Festival at Middlewich High School and next week teams of children will represent us there at Netball and Football tournaments. Thanks to our staff who are overseeing this. We wish the teams well.

As we fast approach half-term and the Easter break I should remind parents of children in Years 2 and 6 that May is still very much assessment time. We will conduct our own assessments in school next week and I very much hope that all classes will have full attendance. Thank you in advance for your support in this.

With the better weather (fingers crossed) I again request that you park on the Village Hall car park and help your child/ren earn house points for walking to school. I have been visited this week by a member of the Highways team. Cars which park with no regard to the hazard lines outside the gate could receive a fine and a spot check could be coming up.
