

BYLEY PRIMARY SCHOOL NEWSLETTER

Friday 20th April

Head teacher's message:

A warm welcome back for the Summer Term. I trust you were able to enjoy the break and recharge your batteries, ready for the busy term ahead.

Children are already hard at work, addressing their targets and making the most of this summer term. We celebrated many achievements in our assembly today, across a range of subjects, and I was particularly impressed by the number of children who are reading regularly at home and improving their reading skills. Well done!

We had a brief visit from our PCSO this week who will be back again soon to arrange further visits and perhaps attend some of our events.

We welcome our new Caretaker to school. Mr Smith has joined our team and I am sure, as ever, you will make him feel welcome to our school community.

As the warmer weather arrives – and hopefully stays a while – I would remind parents that children may need sunscreen, which they apply themselves. With this in mind it might be useful for you to apply a 24 hour cream on our youngest children, to last through the school day. I also have a special request from our Early Years team: Please could parents save their clean plastic milk bottle tops and send them in to school. They make a valuable resource! Thank you.

We look forward to seeing you at next week's Consultation Meetings in the Hall.
