## Head teacher's message:

In Child Safety Week, this week, we invited PCSO Phil Hambleton to speak to the children about Road Safety. He gave a presentation to children from Reception to Year 6 and they answered his quiz questions at the end. We appreciate the work our PCSOs do and look forward to his visit next week with children in EYFS.

This week has really flown by and there are a number of events coming up – please see the diary dates for updates. We're hoping for sunny weather again tomorrow and I hope to come along to Byley Rose Fete as I know so many of our children have roles to play. And of course next weekend is the Folk And Boat festival. Children have worked hard throughout the school to add to the 'Labyrinth' at St Michaels. I hope you are able to go along to the church at some point during the weekend to see, what I am sure will be, a spectacular contribution from Byley!

Thanks to all those who supported our Sports Day yesterday. The children did themselves, their Houses and you proud! I hope you enjoyed the event and once again thanks to staff who worked so hard to ensure it was such a success.

We have added some useful information for E-Safety to our website this week. Please take time to have a look at relevant documents to help keep our children safe online.

We look forward to a visit from the Library team next week to share an assembly and launch this year's summer reading competition.
