Head teacher's message:

Our 'move-up' day was a success, with children easily settling in to their new classrooms and working with new classmates and teachers. As our numbers continue to rise, it has been lovely to see current pupils extending a helpful hand to those new to school; helping them settle in and quickly become part of our family.

Children continue to do their best in class, showing just how ready they are to face the challenges ahead – and on the field! On Wednesday, a group from Years 3-6 represented us at the Town Sports event, hosted at Middlewich St Mary's. They have been praised for their behaviour on and off the track and I am proud that their efforts resulted in them coming 1st out of the small schools there, and 4th overall. Thanks to staff and parents who supported the event. Once again, well done team Byley!

Years 5/6 have completed some practical maths this week as they considered how they might arrange the furniture in their classroom next year.

Years 3/4 have found more angles around school than they had imagined.

Years 1/2 have consolidated their money skills in problem-solving activities.

And in Early Years, children have been engrossed with Jack and the Beanstalk.

Thanks to your generosity, our School Council raised **£210** for the Remembering Nell Charity with their 20p event. We will be in touch with her family to share this excellent news.

Next week, we look forward to our Lego Day on Tuesday and of course on Thursday, children should arrive in non-uniform, in exchange for a bottle to go on the Bottle Tombola at the PTA summer Fayre the following day.
