### Head teacher's message:

It doesn't seem a week since we met in the hall to raise funds for Macmillan. Thank you to all who supported us by providing cakes, smiles and generous donations! There was a wonderful atmosphere as we welcomed families old and new to school. We are proud to have raised **£330** this year and we did it together.

Earlier this week, we held a successful Open Day – afternoon for prospective parents. We also had success on the field on Tuesday as our Y3/4 girls and Y3/4 boys won at the cross country. We now hold the small schools trophies for these events. Well done team Byley and thanks to parents who supported us at and for this event!

So from looking back, to looking forward. You will now have received your appointment times for Parent Consultations next week. Whilst appointments are held in the school hall, you are welcome to look around school, especially in your child/children's classroom where you will find their books. With growing class numbers it is really important to keep to your appointment time and if there is a matter which you wish to discuss at length, please make an appointment with the class teacher for a later date. Thanks for your cooperation.

Children have continued this week to try their best, whether in creating and researching fossils, discovering more about the Niagara Falls, continuing to enjoy Paddington Bear or making a real effort to be kind and helpful to others.

Traffic conditions at the school gates each morning is once again causing concern. Just this week, there was a near miss due to cars parking or turning too close to the main entrance. Please also see the content of an email I received this week, at the end of this letter.

The Village Hall would make an easier and much safer choice and the children enjoy earning their House Points rewards.

Dear Byley Village School

Would it possible for you to remind the parents of the school that they cannot park on our warehousing site. This is primarily for the safety of the school children as we have huge HGV's motorhomes and other vehicles pulling in and out of the gates at all times of the day and it not a safe environment for children. I know that parking is tight at school pick up times and I wholly sympathise however the safety of the children is paramount. Many thanks.

Kind regards

Mandy Simpson
