

Mrs Madden's Class News

Friday 20th September 2019

This Week...

- Firstly, I'd like to start with a great big thank you to the parents and well done to the children for coming into class each morning so independently. It's made a huge difference to the start of our day and we have been able to settle them in super quickly and begin our morning tasks with either myself or Mrs Hampshire. One morning, all children had completed one task by 9am! We appreciate your support with this.
- In Phonics we learned the sounds s, a, t, p and learned the tricky word 'I'.
- In maths we practised recognising and ordering numbers.
- In our topic work we drew our families and talked about them. I'm sure you will enjoy seeing these on Tapestry.

Next Week...

- In Phonics we will learn i, n, m, d and the tricky word 'the' in phonics.
- In Maths we will be learning to count accurately and find one more and one less than a given number.
- In Literacy we will practise writing simple sentences using our phonic knowledge.

More News...

- On Monday 7th October the Middlewich Guardian will be in school to take the 'Reception Class' photo which will be published in the newspaper. Please ensure that your data collection sheets are returned to school ASAP if you haven't already sent it in. Children will not be allowed on the photo if we haven't had the permission granted on these sheets. If you have any queries about this please speak to Mrs Evans who has more information.
- We are low on newspaper if you have any you could donate for our craft table. Thank you!

Have a wonderful and safe weekend, Mrs Madden ☺
