

BYLEY PRIMARY SCHOOL & NURSERY

NEWSLETTER

Friday 20th September

Head teacher's message:

We've had a wonderfully busy week again and are looking forward to more events next week.

Thursday marks European Languages Day and it is also our MacMillan Afternoon Tea event. Please help us to support this charity by making or faking some delicious cakes (which can be dropped off on Thursday morning at the gates) and enjoying them with a cuppa and some presentations from the children.

This will be followed by a meeting for parents of children in Years 5&6 who are off on their residential next May. Children who have already visited Standon Bowers are looking forward to returning and again developing even more skills and abilities in an outdoor environment.

Mr Trude met up with teachers from our partner schools earlier this week and we now have an agreed series of PE events which will take place throughout the year. Please keep a look out for slips home and of course the Diary Dates on weekly Newsletters.

We are pleased to announce that Mrs King is looking forward to a happy event next spring, when her new arrival becomes a playmate for her little boy. I am sure you will join me in offering our congratulations.

The weather looks set fair for the weekend, let's hope we can all make the most of it.

Byley Primary School

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing.

Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit thousands of websites through the easyfundraising site and the retailers will make a small donation to the PTA.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the PTA make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
