

Mrs Madden's Class News

Friday 13th December 2019

This Week...

- We performed the Christmas Play 'Bethlehem - The Musical!' To say I am proud of the children would be an understatement, they were AMAZING!! Throughout the past few weeks they have loved learning their lines and practising them with 'Frank Shepherd' from Y6. They have put so much effort into learning the songs - some were particularly hard for 4 and 5 years olds but that didn't faze them. Nursery, you learned the songs brilliantly too! Along the way they learned all about the true meaning of Christmas and began to understand how life in the past was so much different than life is today. Thank you for the part you played in preparing them with costumes and practising their lines.
- In class this week we have been busy writing our letters to Father Christmas and had lots of cursive handwriting practise.
- Secret Storyteller - To promote the importance of Reading/Literacy, we would like to invite parents (or grandparents, aunties or uncles) into school to read their child's favourite story to the class. The idea is that the secret storyteller will sneak into school and read a story to the class, without letting the child they are linked to know! The book choice is up to you - it could be your favourite from when you were little or your child's favourite. If you think you would like to become a 'secret storyteller' please have a quiet word with me/send me note or email jmadden@byley.cheshire.sch.uk saying when would be convenient for you to come in. We'd love to get some booked in for after Christmas.

Next Week...

- We will enjoy the last week of school before the Christmas break!
- On Wednesday morning we will have our class Christmas party followed by Christmas lunch.

Nursery children are invited to stay for lunch, providing their own packed lunch. Please let me know if your child will be staying. Nursery children are to be collected at 1pm please - we don't have staffing to provide afternoon care.

Have a great weekend,

Mrs Madden ☺
