Head teacher's message:

Another school week has flown by and children continue to work hard, making up for lost time and showing just how resilient they are. Our school attendance figures are good and I am pleased that so often, classes are achieving 100%!

In classes around school:

Years 5&6 have written character descriptions of Caliban from The Tempest. I have been really impressed with the quality and standard of their writing. Well done, your hard work is paying off!

Years 3&4 have been learning about the language used in persuasive writing – particularly when persuading us to buy shoes, which clearly works!

Years 1&2 have focused on money this week, making amounts and finding change. They also found time to continue to develop their art skills outdoors.

Early Years immersed themselves in Diwali making rangoli patterns and learning a lovely Bhangra dance which they shared in our KS1 assembly this afternoon.

Work has started to get underway so that, despite not being able to share our Christmas carol concert this year, you will be able to enjoy a special something with contributions from every child at school.

I am sure this weekend will include a last minute check, searching out unwanted clothes which can be brought to school on **Wednesday** morning to raise funds for our PTA.

Enjoy what we hope will be the penultimate lockdown weekend.

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing. Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit thousands of websites through the easyfundraising site and the retailers will make a small donation to the PTA.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the PTA make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
