

Mrs Madden's Class News

Friday 22nd September 2023

This Week...

The children have loved the start of our phonics lessons and all the activities they've taken part in linked to the phonemes: 's a t p'.

Children have been

- searching for **s**nakes in **s**paghetti
- using tweezers to place cereal hoops on the **s**tarfish
- making **a** shapes with play dough
- **t**owering up the new **t**rim **t**rail
- **p**laying with **p**enne **p**asta
- **p**oking and threading **p**ipe cleaners into the PE balls

A huge highlight of the week was on Thursday, when we had an official opening of the new trim trial! It's AMAZING!! We were super impressed with their climbing and perseverance skills – Go EYFS!

Next Week...

We will continue to learn new phonic sounds 'i n m p' and enjoy a variety of activities. The children will take part in daily Gross Motor and Fine Motor Skills to build up the muscle control in readiness for writing.

We will start our topic work on 'Families' – it would be lovely if you could share some family photos on Tapestry for us to look at as well as some baby photos so we can 'Guess the Baby!'. Please note down who is in the photos to help our discussions, especially if including grandparents, aunties and uncles, thank you.

More News...

Tapestry – I've added some activities to support our weekly phonics lessons for Reception.

Have a wonderful and safe weekend.

Mrs Madden 😊
