

# Kit's Camping Trip

**A 'Let's Read Together!' Book**

We went on a coach with Beavers to South Woods.

It was a short trip to get there.

The scouts had put up **their** tents.

I was in a tent with Jake and a boy  
**called** Dan.

We went on a hunt around  
the woods.

I found lots of things on the ground.

We had hotdogs with ketchup for tea.

We sat outside later **where** we sang songs under the stars.

Dan and I found it difficult to sleep!  
I **should** have tried harder as I did  
not feel awake the next day!

In our team, we made a shelter out of wood.

I was so tired but still had fun until it fell on me!
