

Where a pupil/s have been identified that they have an allergen or intolerance to certain food groups the school will liaise with the child's parents/carers to obtain medical confirmation from a pupil/s GP and/or Paediatric Dietician verifying the child's ongoing dietary requirements; for example, egg intolerance.

School will then pass all information on to the Cook, this will include:

Pupils Full Name:

Date of Birth:

Specific Dietary Requirements

Photo (if poss) of child

No change of diet will be actioned until the medical confirmation letter has been received and processed.
