

# A Woodland Wish

A 'Let's Read Together!' Book

Kit and Sam took Ben for a hike in the gloomy wood. At the bottom of a holly tree, Sam spotted a tiny opening. Kit thought it could be a fairy den.

“I wish I could see inside the fairy den,” said Sam.

All of a sudden, Sam could feel herself shrinking! She looked around and could see she was in a sunny forest, full of cherry blossoms. A happy fairy waved at her.

Sam felt slightly dizzy but she waved back at the happy fairy. “What a dainty den this is!” said Sam. The happy fairy led Sam **through** her den.

The den was very sunny and airy. Sam could see plenty of sparkly dust floating in the air. Out of the corner of her **eye**, Sam could see the rest of the fairy family.

Soon, it was time to return to Kit and Ben in the gloomy wood. The fairy told her to pop back **any** time. Sam waved to the fairy family. As she left the sunny den, she began to grow again.

“Where did you go?” asked Kit.  
Sam told him about the fairy family  
and their cosy den. Ben gave a  
noisy bark – he hoped to visit the  
fairy den too!
