

The Easter Flower Festival

A 'Let's Read Together!' Book

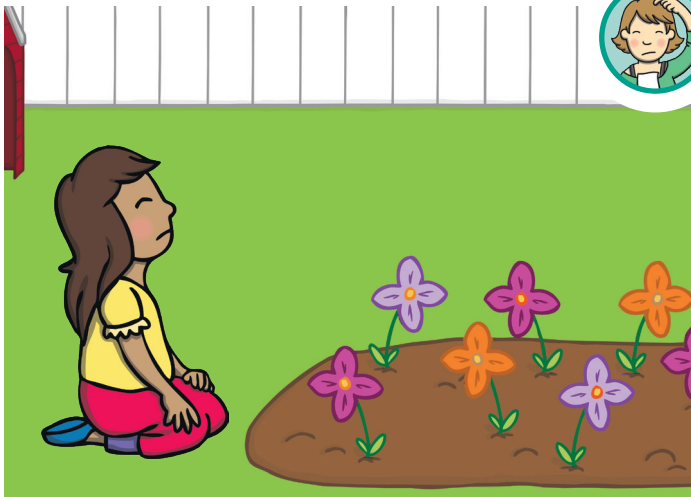

This year, I wanted to enter the local Easter Flower Festival. Mrs Dougal always wins but this year I decided it could be different.

Q1: What does Sam think is going to be different at this year's Flower Festival?

We had the hottest April on record and I began to worry about how I would stop my display from wilting.

Q2: Why did Sam want to stop her display from wilting?

1. Travel to the gardening shop with Dad.
2. Find the fake flowers and look for flowers that normally bloom in April.
3. Get some fake flowers for the Easter Flower Festival.
4. Using a trowel, dig a hole in the middle of my display pot.
5. Put the fake flowers into the hole.

I came up with a plan and I really wanted to beat Mrs Dougal.

After all, Kit said that she cheats!

When we got to the festival, we found Mrs Dougal looking unhappy. She explained why winning is so important to her so I thought I would help.

Q3: How does Sam think she will be able to beat Mrs Dougal?

Q4: What did Sam plan to do with the trowel?

Q5: What adjective describes how Mrs Dougal is feeling?

After we went to get items from different shops to fix Mrs Dougal's display, some pupils from Basil Primary School came along to help us.

Mrs Dougal won the medal again but this time I was pleased for her. I felt so bad for trying to cheat. I will not be doing that again!

Q6: Why has Basil Primary School got capital letters at the beginning of each word?

Q7: What will Sam never do again? Why?

The Easter Flower Festival

Join Kit and Sam as they discover that
winning isn't everything.
