

We Are Hikers!

A 'Let's Read Together!' Book

The firefighters braved fires in their jobs and challenged themselves to raise money for charity in their spare time. Some were bikers and some hiked up mountains!

Q1: What did the firefighters do in their spare time?

Kit and Sam wanted to try a challenge too. They used their magic map to travel to the Lake District Challenge. Kit, Sam and Ben joined the hikers, where they met the leaders, Mark and Jasmine.

Q2: Where did Kit and Sam travel to?

Q3: Who are Mark and Jasmine?

Jasmine was the joker of the group and made everyone laugh with her silly songs. Sam climbed up a huge rock but Kit was scared he would fall. The group encouraged him to be braver.

With some help from Mark, Kit faced his fears and braved the huge rock. He wobbled a bit but Mark held onto him. He was so glad was brave and he felt on top of the world!

Q4: Why was Kit nervous?

Q5: Why did Mark say that Jasmine was 'the joker of the group'?

Kit and Sam posed for a photo. Jasmine and Mark hoped it would get in the newspapers. Kit and Sam loved being hikers and wanted to do it again soon.

The hike was over. Kit and Sam waved goodbye and used the magic map to go home. “I think I will be braver with heights from now on!” said Kit.

Q6: Why do you think Mark and Jasmine hoped their picture would be in the newspaper?

We Are Hikers!

Kit and Sam go hiking. Will Kit face his fears?
