Whizz, Whirl, Whoop!

A 'Let's Read Together!' Book

A funfair is **coming** to town. Kit and Sam ask Mum whether they can go. Mum says they can go for a little while.

When they get to the fair, they see so many rides that they find it hard to pick which one to go on first.

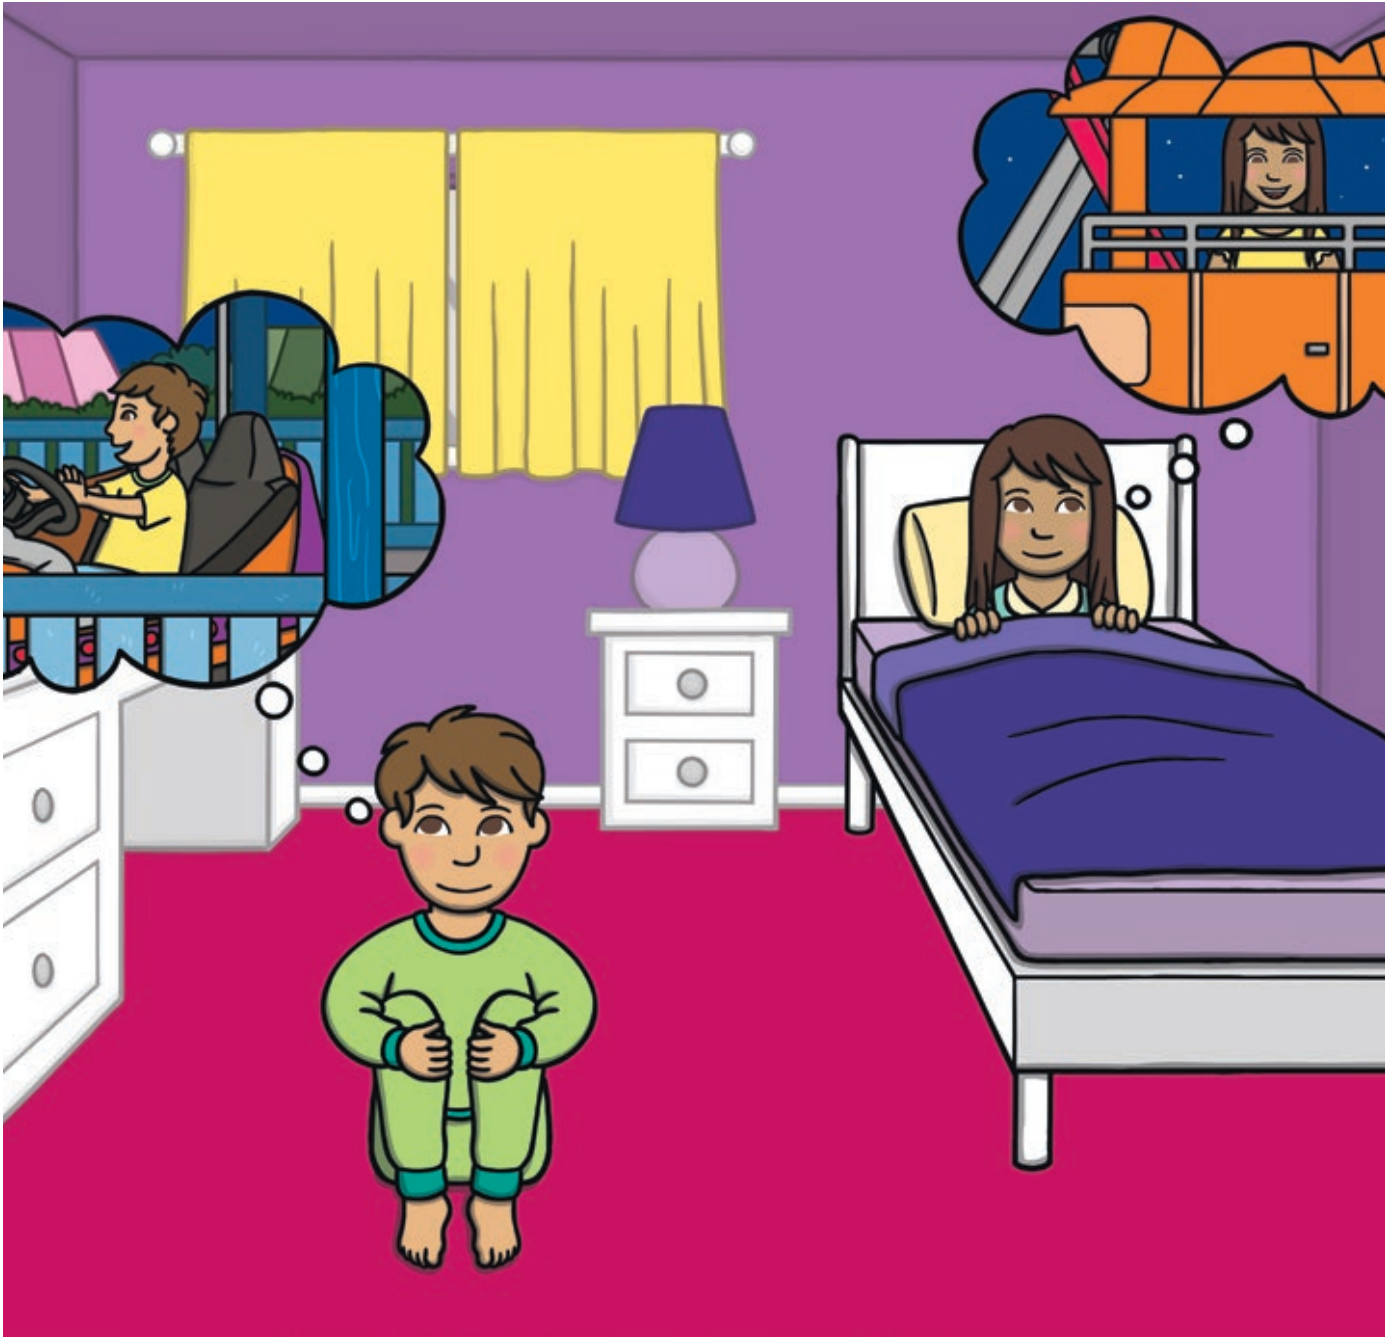

Sam picks the 'Whopping Wheel'. She sits down and the wheel whirls around and around. Sam whoops with joy!

Kit picks the 'Wacky Whizzers'. The cars whizz and whoosh around the track. Kit whoops with joy!

Kit and Sam get a whiff of something sweet. Mum gets them all a big stick of white candyfloss. This time, they all whoop with joy!

After a while, it is time to go home to bed. Kit wishes he could **live** at the fair. Sam wishes the fair were **coming** to town every day.
