# The Magic Show

A 'Let's Read Together!' Book

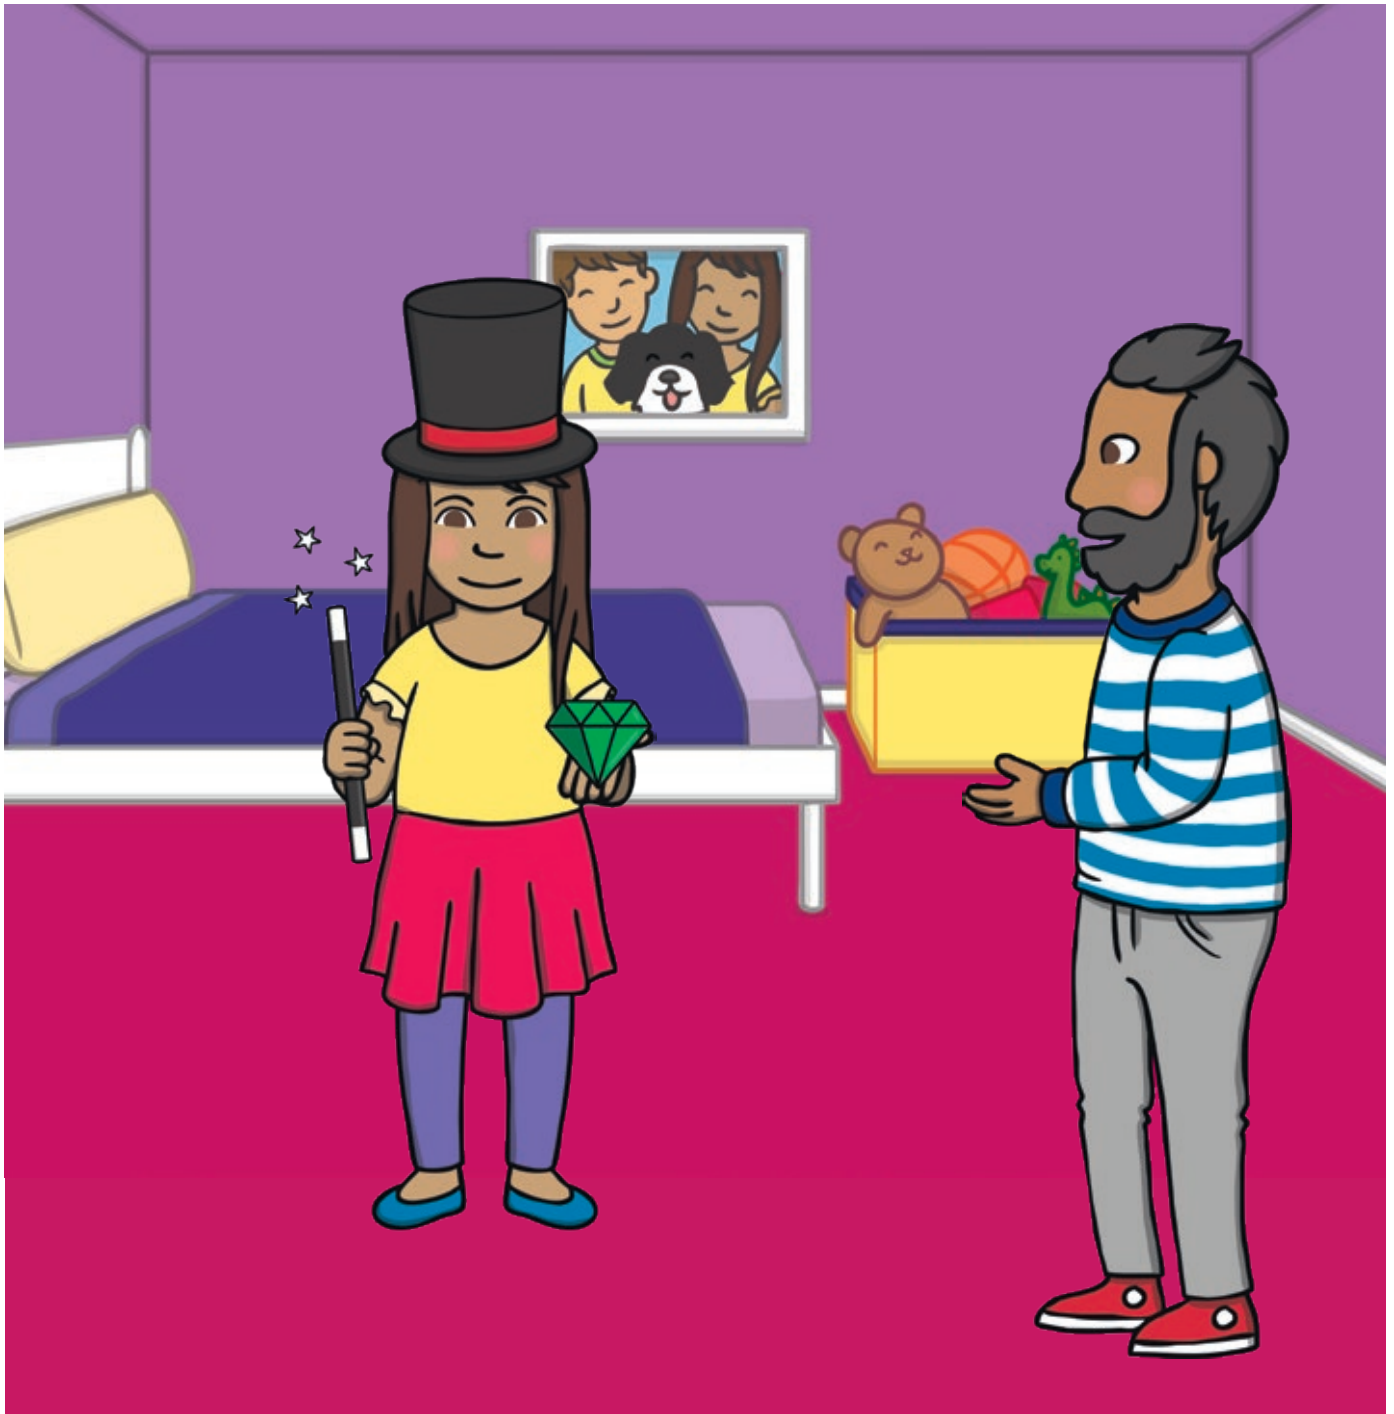

Mr Adams was planning a giant talent show on the school stage. He told the children they could all take part. Kit and Sam had to decide what they would do.

They went to Dad for some advice. Dad said to put on a magic show and began to run through some tricks with the twins.

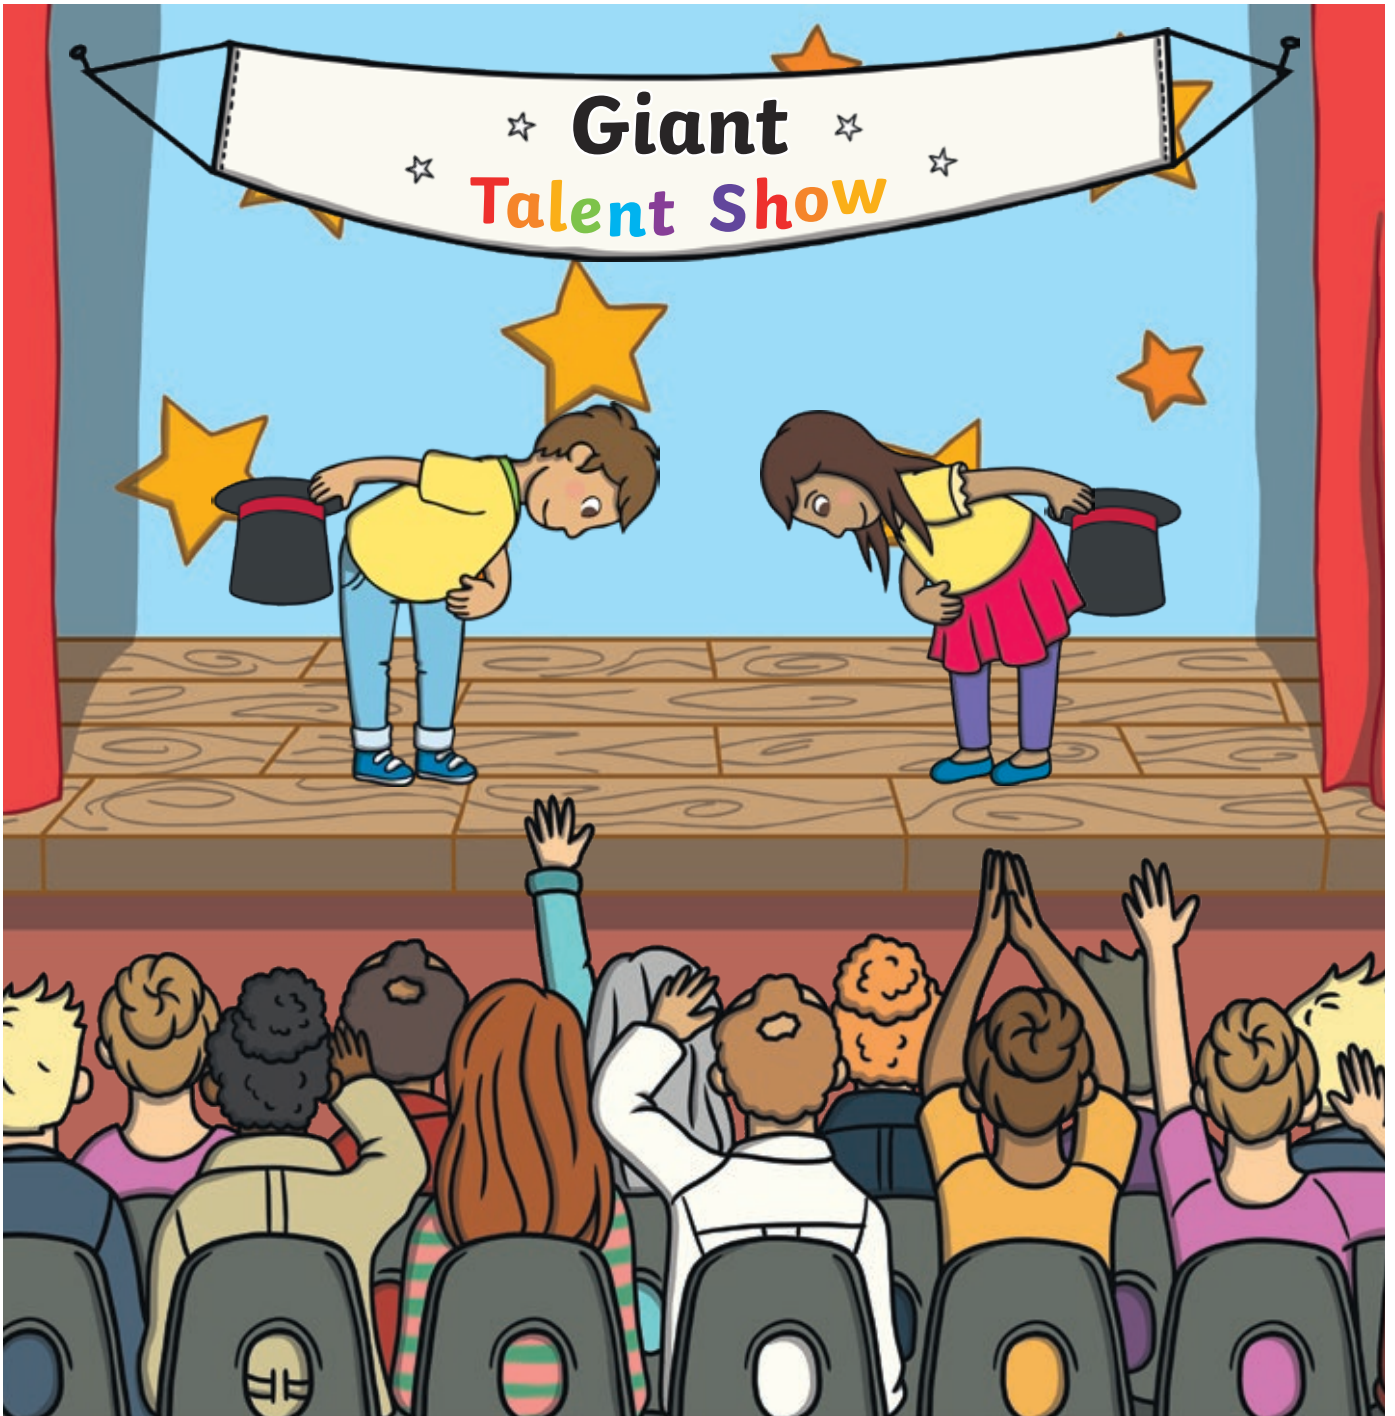

On **Monday**, Kit tried out some of his new magic. He made some toy mice vanish without a trace!

On **Tuesday**, Sam went over her magic trick. She made a pile of rice turn into a green gem!

Friday was the day of the giant talent show. Kit and Sam stood on the school stage to perform their magic tricks.

At the end, the crowd gave a huge clap and Kit and Sam had to bow twice! Dad had a big grin on his face.
