The Queen's Big Day

A 'Let's Read Together!' Book

We decided to visit the Queen. Sam did not want to meet some of her relatives though!

The queen was the first royal to live here. Palaces were not as huge back then.

She had lots to do. She asked us if we might have time to give her dress to the palace nurse. We said, “Yes!”

When she was ready, we all went to the church so that the Queen could choose her throne. It was a bit of a squeeze!

The next day, we travelled with the Queen and lots of her relatives. Everyone was very happy and delighted!

What a great day it was! The Queen promised to serve the British people and then we saw the Archbishop give her the crown.
