

# Adventures in Wonderland

A 'Let's Read Together!' Book

We used the magic book to travel to Wonderland and visit the White Rabbit and his friends. When we arrived, the Cheshire Cat told us to look for a Golden Deer.

Q1: Who did Kit and Sam hope to visit?

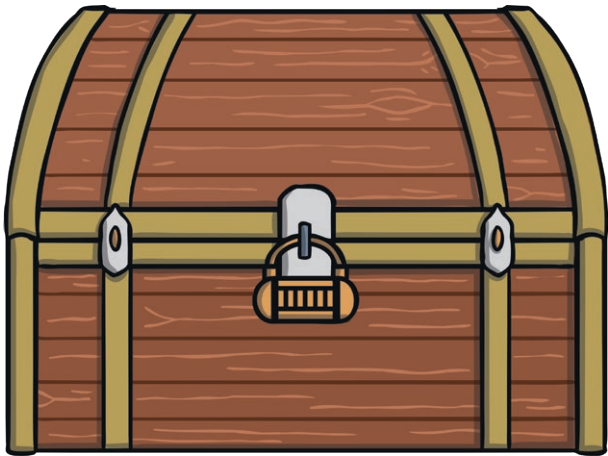

---

Q2: Who did The Cheshire cat tell Kit and Sam to look for?

---

We followed the rabbit's footprints all the way to the Golden Deer and a wooden chest which contained two tiny bottles and an invitation to a tea party from the Mad Hatter.

Q3: What was inside the chest?

---

We followed the rabbit until he disappeared down a narrow hole. We had to take a potion to fit in and with one little sip, we shrunk down to a teeny size. “Here we go,” said Kit, as we jumped in.

Q4: What do you predict will happen when they get to the bottom of the rabbit hole?

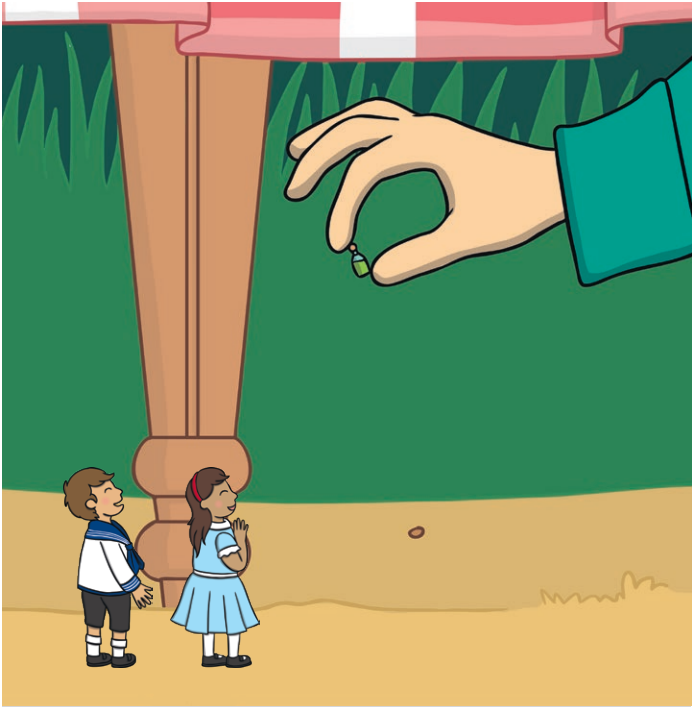

---

---

Q5: Why did they need the potion?

---

---

“You are too small,” said the Mad Hatter, as he gave us another potion that made us much bigger! He did not seem sure though.

We looked at the table and there was every treat you could imagine. “You must try the soup,” said the March Hare. We took some stripy cakes and there were teacups full of pear soup.

Q6: What did the March Hare suggest to eat?

---

---

“It has been great to meet you all,” we said, as we had to leave. We thanked the Mad Hatter and all of his friends and waved goodbye.
