

Mrs Madden's Class News

Friday 10th May 2024

We may have only been in school four days but it certainly was a busy four days!

We've been practising our numbers in Maths and accessed some super Maths games on Top Marks website. It's worth a look!

Forest School is proving very popular with the children! This week, Mr Smith gave them a turn on the rope swing, they hunted for bugs and checked up on the hedgehog house the older children had previously made. They had great fun in the so-called 'volcano!' What's on the agenda for next week? We'll have to wait and see!

We had a pair of black jogging bottoms left after last week's Forest School session. They're age 3-4 from Matalan (from a pack of three) – sadly there wasn't a name in them. If you're missing a pair, let us know.

Please could we ask you check that all your uniform is clearly named, it really does help us to help you. Thank you. 😊

We're so proud of how well the Reception children are doing with their Phonics, their confidence is really coming along and to see them working more independently is just fabulous – well done Reception.

We also have to acknowledge how enthusiastic the Nursery children are when learning the sounds and actions. They will certainly have a flying start when it comes to their Reception work.

Have a wonderful weekend and enjoy the sunshine!

Mrs Madden 😊
