

The Dream

A 'Let's Read Together!' Book

It was almost the last week of the year and Mrs West told us who our new teachers were going to be for the following year. We were not disappointed. We got told that we were going to have Mrs Tillson in year 3!

I got a bit worried when Lily's sister, Holly, told me that Mrs Tillson dislikes children who disobey her. I told my dad at bedtime and he helped me to feel better. I set my alarm early so I didn't disappoint Mrs Tillson by being late!

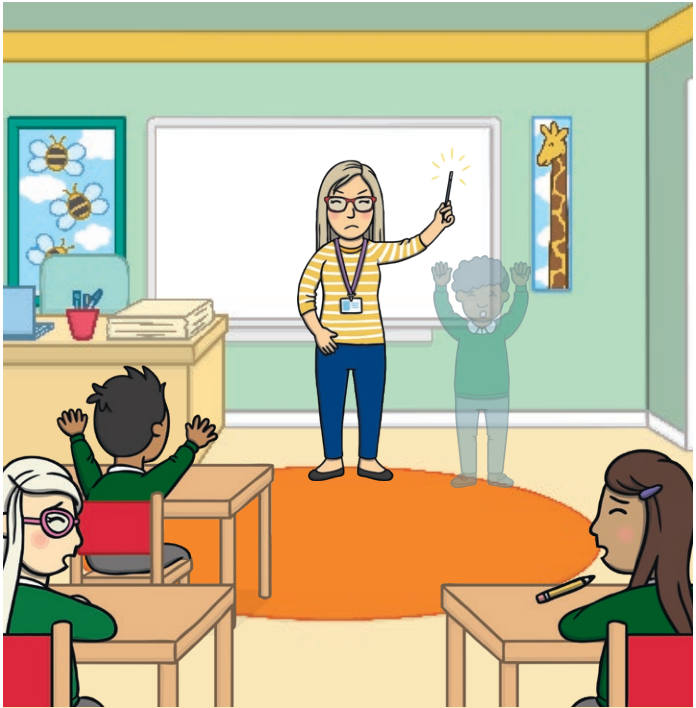

Q1: What did Lily's sister say about Mrs Tillson?

Q2: Why did Sam make sure she set her alarm?

We arrived at school and everything was great until Mrs Tillson realised that someone had been dishonest. Someone had disconnected her interactive whiteboard.

She was cross that someone in the class had disobeyed her rules. She went to her desk and pulled out a magic wand. Then she waved it and made Jake disappear!

Q3: What had happened to Mrs Tillson's interactive whiteboard?

Q4: How do you think Sam and the rest of the class were feeling when Jake disappeared?

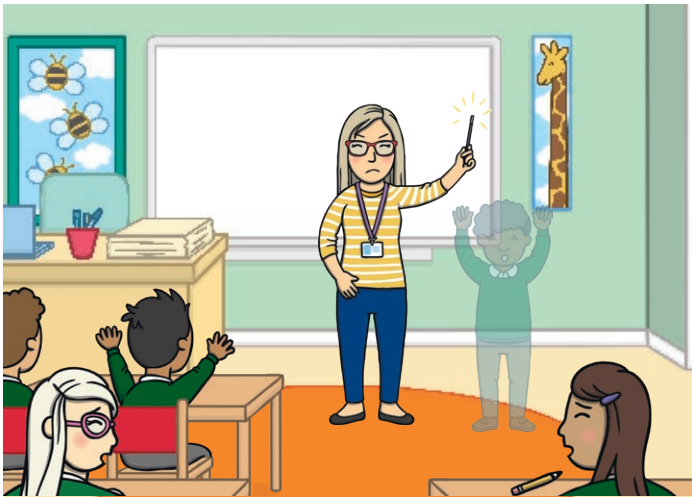

Just as he disappeared, I heard my alarm and I woke up. It had all been a dream! I was so relieved! I told everyone at breakfast time and they thought it was funny.

My first real day in year 3 was brilliant. I got a bit worried when Mrs Tillson thought her interactive whiteboard was disconnected but she tried her remote and it worked. I can't wait to go back tomorrow!

Q5: What did Sam think about her first real day in year 3?
