

Mrs Madden's Class News

Friday 7th June 2024

It was wonderful to greet the children back on Monday morning! They were all full of excitement sharing their half term news. We enjoyed looking at the adventures some of you had shared on Tapestry.

On Tuesday we enjoyed a 'Jeremy from St Michael's and All Angels church' assembly. Our children sung their hearts out with some familiar favourites!

The children sat beautifully in assembly on Thursday when we thought about D-Day. In Forest School, Reception made some beautiful remembrance crosses whilst Nursery made mud pies!

On Friday morning, Mr Smith helped us put them into our new Remembrance area by the staff car park.

In the coming weeks, Reception will go through to Year1/2 for story and singing sessions and they'll have opportunities to mix with their 'soon to be' Year 2 classmates. We plan to learn and enjoy what's left of Reception in the meantime!

Of course, we are preparing our Nursery children to transition to Reception - exciting times all around!

Please could any spare clothes borrowed from school be returned as we're running low. Thank you.

Have a lovely weekend!

Mrs Madden 😊
