

Mrs Madden's Class News

Friday 28th June 2024

This week we read the 'The Lighthouse Keeper's Picnic', the children thought about what picnic food they would like. It made us feel really hungry.

The children have done some super summery cutting skills work.

Forest School - The children were hunting for dragon's and they went on a bug hunt. They had the best game of hide and seek according to Mrs Hampshire!

Secret Storyteller – We were lucky to have Ollie's daddy come and read three fabulous stories to us this week. Thank you so much for taking the time to come and read with us, we absolutely loved it!

Next week we will embrace all things summertime and fingers crossed, we'll have sports day on Tuesday afternoon!

Have a lovely weekend and thank you for your continued support!

Mrs Madden 😊
