

Mrs Madden's Class News

Friday 13th September 2024

This Week...

Has flown by! The classroom has been a buzz of activity, fun and laughter!

The children have loved the start of our phonics lessons and all the activities they've taken part in linked to the phonemes: 's a t p'.

Children have been

- searching for **s**nakes in **s**tring
- using tweezers to place cereal hoops on the **s**tarfish
- printing with **a**pples
- making **t**ea in water play
- playing with **p**enne **p**asta
- The Three Little **P**igs story

Next Week...

We will continue to learn new phonic sounds 'i n m p' and enjoy a variety of activities. The children will take part in daily Gross Motor and Fine Motor Skills to build up the muscle control in readiness for writing.

We will start our topic work on 'Families' – it would be lovely if you could share some family photos on Tapestry for us to look at as well as some baby photos so we can 'Guess the Baby!'. Please note down who is in the photos to help our discussions, especially if including grandparents, aunties and uncles, thank you.

More News...

Tapestry – I've added some activities to support our weekly phonics lessons for Reception.

Many thanks for all your support, have a great weekend.

Mrs Madden 😊
