

Mrs Madden's Class News

Friday 20th September 2024

This Week...

The children loving our phonics lessons and all the activities they've taken part in linked to the phonemes: 'i n m d'.

Children have been

- playing with **i**nsects in the grass
- **n**umber work
- exploring **m**usical **i**nstruments
- **d**inosaur world play

We've been practising blending the sounds to read words too!

The children were introduced to our 'Bottle Babies' today, more information on these next week, but if the children mention them, they are a real thing!

Next Week...

We will continue to learn new phonic sounds 'g o c k' and enjoy a variety of activities. The children will print using carrots and squeezing oranges!

We haven't had many families add their family photos to Tapestry. Please do share them with us, as it's a wonderful opportunity for your child to develop their communication skills when they tell us about them – don't forget to add a photo for 'Guess the baby' – thank you so much.

More News...

Tapestry – It's been a busy couple of weeks for me, so please bear with me as I'll be adding activities to support our weekly phonics lessons for Reception, as well as photos of all the fun we've been getting up to in EYFS, as soon as I can.

Many thanks for all your support and have a wonderful weekend.

Mrs Madden 😊
