

Mrs Madden's Class News

Friday 4th October 2024

This Week...

The children loving our phonics lessons and all the activities they've taken part in linked to the phonemes: 'ck e u r'.

The children have been

- using tweezers to **pick** up pom poms
- lots of **block** play fun!
- reading phonemes and words on the **eggs**
- **u**mbrella repeating patterns
- playing the **rocket** game
- putting nuts on the **robots**

In Maths, we've made sets of 2, 3 and 4. The children have enjoyed making their own collections of 2, 3 and 4 using the language 'One and another one and another one makes three.' They've also been busy making Number Block towers.

Mrs Hampshire and Mrs Bradbury were most impressed when the children got dressed for PE on Tuesday. It only took them 15 minutes! They enjoyed learning how to roll in a variety of ways; 'pencil roll, sausage roll, forward roll and the very tricky backwards roll!'. They worked their core muscles really hard, great job everyone.

Next Week...

We will continue to learn new phonic sounds 'h b f l' and enjoy a variety of activities and the children will be practising their cutting skills. We'll learn more about Autumn and learn about migration and hibernation.

More News...

If you are able to collect some pine cones and conkers, we'd love to use them in class. Thank you.

Our 'Learn with Me' session is on Monday morning at 9am, we very much look forward to welcoming you, if you're available.

Thank you for your continued support.

Have a wonderful weekend.

Mrs Madden 😊
