1. Introduction

This policy outlines how Byley Primary School meets its duties and obligations to provide a high-quality education for all of its pupils, including those with Special Educational need and Disabilities.

Byley Primary School and Nursery is an inclusive school. It is the school's belief that all children have an equal right to a full and rounded education which will enable them to achieve their full potential.

2. Intent

At Byley Primary School and Nursery, we are committed to equality. We aim for every pupil to fulfil their potential, no matter what their needs. Our School is committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all children and families.

Our school welcomes all children and values them as individuals, treating them equally and with respect. We believe that all children have the right to have their own particular needs recognised and addressed in order to achieve success. We believe that all teachers are teachers of children with special educational needs, and it is therefore a whole school responsibility to ensure that these children's needs are addressed. Through staff working together as a team, and in partnership with pupils and their parents and carers, we strive to ensure that the following aims are met:

They have a learning difficulty or disability if they have:

- Pupil Progress Meetings will review needs and Pupil Tracker online will monitor progress and attainment.
- Parent Satisfaction Questionnaires and Pupil Voice provide opportunities for feedback.
- All staff will receive relevant training and opportunities to develop their knowledge, around supporting children within our school in the most effective way.
