

Mrs Madden's Class News

Friday 8th November 2024

This week...

We have enjoyed being back together and sharing half term photos on Tapestry, thank you for adding them for us to look at.

The children worked very hard in PE working on their throwing and catching skills.

The children learnt about Bonfire Night and the story of Guy Fawkes. We have completed some firework count and match activities and been busy subitising.

We've had a large selection of pumpkins to look at, all different, shapes, sizes and colours! The children felt and described them and also practised their fine motor skills by hammering golf tees into them.

Secret Storyteller –

To promote the importance of reading, we would like to invite parents (or a family member) into school to read a story or two to the class. The idea is that the secret storyteller will sneak into school without letting the child they are linked know! If you think you would like to become a 'secret storyteller' please get in contact.

Next Week... we will be practising our Nativity! More details to follow.

Have a wonderful weekend.

Mrs Madden 😊
