

Mrs Madden's Class News

Friday 14th February 2025

What an exceptionally busy half term we've had; I think we are all ready for the half term break!

This week has been LOVE week! We learned about the story of St Valentine and sung some lovely songs. We have been printing love hearts, counting hearts, ordering number hearts, writing St Valentine's cards, practising reading and writing our tricky words – I think we're all exhausted!

We have had the pleasure of Gemma, a work experience student, working with us this week. It has been lovely getting to know her and we thank her for all her help this week.

I was telling the children this morning how incredibly proud we, as a team, we are of them. They such a lovely group of children.

After half term we learn about Spring and Pancake Day!

I hope you all have a happy and wonderful half term!
Mrs Madden 😊
